Description/Remarks (Include reasons for contract modifications, if applicable, and indicate if extension or renewal option)					
The Maryland Department of Transportation Motor Vehicle Administration (MDOT MVA) is required under Md. Transportation Code Ann.§ 13-809 to attain the valuation shown in the agency’s adopted national publication of used car values, if the Administration finds that the documentation submitted fails to verify the total purchase price of the vehicle. According to the Trade-in/NADA publication provided on the MDOT MVA website, the national publication of used car values adopted for use by MDOT MVA is the National Automobile Dealers Association (NADA). NADA is the valuation tool used by the MDOT MVA to value vehicles for personal sales transactions, trade ins and out of state vehicles being titled in the State of Maryland. The product is used for valuation purposes in collecting appropriate taxes from individuals when performing MDOT MVA vehicle transfer transactions. This contract is being executed under MDOT MVA’s delegated authority to cover Period of Performance from July 1, 2021 to June 30, 2022.					
The term of this contract is 07/01/2021 to 06/30/2022
